## OUR CLUB'S HISTORY

Founded in 1986 in Princeton, MA by a group of friends who shared interests in learning about and helping each other enjoy gardening and horticulture.

We now have members who come from Princeton, Holden, Rutland, Sterling, Paxton, Westminster and Royalston.

## WHY SHOULD YOU JOIN?

- We are a small garden club and it is easy to get to know people.
- We encourage new friendships and an atmosphere of fun for all members.
- You can help develop the club's goals and programs by giving garden tips, sharing your gardening experiences and ideas for speakers and programs.
- We recognize member's contributions to their own growth in gardening as well as programs within the club or for the community.
- You receive monthly updates on gardening topics and resources.
- Visit the New England Botanic Garden at Tower Hill Botanic Garden. Call 508-869-6111 to make reservations. Club members may borrow 2 free admission passes (for a total of 4 visitors)
- Discounts for members at our plant sale and .other special plant programs

## WACHUSETT GARDEN CLUB

## OUR MISSION

Is to promote the study of horticulture and the love of gardening, to protect our environment, and encourage conservation. Through the knowledge and skills of our members, we offer community programs to benefit our towns.

## CONSERVATION PLEDGE

We pledge to protect and conserve the natural resources of Earth and promise to promote education so we may be caretakers of our air, water, forests, land and wildlife.

## WE WELCOME YOU

Whether you are new at gardening or a Master Gardener, we invite you to join us. Meet new friends and fellow gardeners with similar interests.

## SHARE AND LEARN TOGETHER

- Educational Speakers on a variety of topics: habitats for birds and attracting pollinators, propagation and organic gardening
- Hands-on projects such as making concrete birdbaths, planting succulents and making terrariums
- Excursions to horticultural places and nurseries, and touring club members gardens
- Helpful Handouts on Plants, Gardening Techniques and more from our programs and on our website.
- Sharing knowledge about gardening and plants with each other and the community

## PROTECT OUR ENVIRONMENT AND ENCOURAGE CONSERVATION

- Habitat Protection
- Conservation of Natural Resources
- Recycling
- Native planting
- Identification and Removal of Invasive Plants
- Maintain the Veteran's Memorial Gardens on the Princeton Common
- Collaborative projects with the Wachusett Meadow, Audubon, Thomas Prince School
- Advocate for a healthy environment

**“To plant a garden is to believe in tomorrow.”**

**Audrey Hepburn**

## SOCIAL AND COMMUNITY EVENTS

- Promote the love of gardening with community programs
- Annual Plant Sale Fundraiser for Community Programs
- Collaboration with local Organizations: The Princeton Council on Aging, Princeton Agricultural Commission, Environmental Action Committee, Thomas Prince School
- Princeton Arts Society—Making Floral Arrangements to accompany and highlight local artist's paintings
- Connect with other area garden clubs including the Holden and Sterling Garden Clubs
- Our Club Gatherings will follow MADPH/CDC COVID Guidelines
